

# Marathon Press

[Marathon Press](#) partners with NILMDTS by printing our four-fold brochures that are used in hospitals, for FREE! The only thing our volunteer photographers or headquarters staff has ever had to pay for is local imprinting and shipping. Considering we've printed more than 600,000 brochures and over 24,000 recruitment cards so far, and at \$1.00 each—you do the math!
