

HOW TO REGISTER FOR NILMDTS TRAINING AND RECEIVE A PPA MERIT

As part of our PPA/NILMDTS Partnership Alliance, the Board of Directors at PPA has approved a proposal for our members to receive PPA Merits for the following:

- **1 Education Merit** for attending a NILMDTS Formal Training Seminar which meets the 6.5 hour guideline

To receive proper credit for attending the training class, please follow these instructions:

1. Each PPA member desiring credit for the class must register separately (if you have not, please email training@nilmdts.org, before the seminar, for help)
 - Registration for NILMDTS training seminars can be found at http://www.nowilaymedowntosleep.org/training_registration/
2. Please use a valid email address when registering
3. Fill out the PPA Merit Application completely and legibly and fax (720-283-8998) or email it to headquarters@nilmdts.org.
4. Please allow 6-8 weeks for processing. Your merits will show up in your PPA record usually within 6-8 weeks of submission of your merit form. PPA does not issue merit certificates for this seminar, but it will be reflected on your online records.
5. Both PPA & NILMDTS request that you do not contact PPA directly regarding these merits. If your merit has not shown up within the 8 weeks after your submitted your merit form, please email headquarters@nilmdts.org (for merit questions only). Please do not call the office as we will need time to research this for you. All other training questions can be submitted to training@nilmdts.org.
