Dear PARENTS:

Please let me take this moment to thank you for sharing your personal and private moments with (insert Baby;s Name here) with me. Your images will be placed in the mail in two days. I wanted to send this to you ahead of time, just in case you wanted to arrange to have a family member or close friend with you for support for when the images arrive. I hope that the images of (insert Name) will bring you comfort and peace. I truly believe that these images are an important step in your healing process. You may take the CD file of (NAME) to any film developer to have the images printed. You will need this letter for release of copyright.
The slideshow is for your personal use.

I would be honored to hear from you regarding NAME'S images. Please consider sharing your story and your experience with Now I Lay Me Down To Sleep and with other parents suffering similar grief and heartache at our forum www.nowisleep.com. You will need to register for this site, and please know that there are no fees to use this forum.

I hope the remainder of this year finds you peace, joy, and a healing heart. I look forward to hearing back from you.

Sincerely,
