A MESSAGE FROM OUR EXECUTIVE DIRECTOR

During the 2022/2023 fiscal year, with your incredible support, Now I Lay Me Down to Sleep was able to accomplish several significant milestones. Highlights include:

Expanded Reach: Through the expansion of our network of volunteer photographers and support staff, we were able to reach even more families in need, extending our services to communities across the country and world. We reached more families this past year (4,037) than we have since 2018. Your contributions directly facilitated this growth, ensuring that no family faced the heartache of infant loss alone.

Professional Development: We are thrilled to share that Now I Lay Me Down to Sleep renewed our accreditation to offer continuing education to nurses. This accreditation underscores our commitment to providing high-quality training and resources to healthcare professionals, ensuring that they are equipped with the knowledge and skills to support families during their time of need.

Recruitment and Retention: With increased support staff and a recommitment to our core mission, our volunteer retention is well above the national average. Due to that, along with stellar recruitment efforts, the number of Affiliated Photographers we have is the highest it's been in years and the number of Digital Retouch Artists (DRA) is higher than it's ever been in the history of the organization. The latter is critical as we continue to utilize DRAs for a significant portion of our sessions each year.

None of these accomplishments would have been possible without your continued generosity and dedication to our cause. Your belief in our mission has provided hope to countless families during their darkest hours, reminding them that they are not alone in their grief.

As we look ahead to the coming year, we are filled with gratitude for your ongoing support. Together, we will continue to stand as a beacon of compassion and support for families navigating the difficult journey of infant loss.

Thank you, from the bottom of our hearts, for your unwavering commitment to Now I Lay Me Down to Sleep and the families we serve.

With deepest gratitude,

Missy Thomas, MSA
Executive Director
