A MESSAGE FROM OUR EXECUTIVE DIRECTOR

Missy Thomas

As I reflect on the past year, I am filled with gratitude for the incredible impact we have made together at Now I Lay Me Down to Sleep. Each day, we are reminded of the profound difference our mission makes for families facing the unimaginable loss of a baby. This year, thanks to your unwavering support, we have continued to provide the gift of remembrance photography, bringing comfort and healing to families around the world.

As of this writing, NILMDTS has 1,112 active volunteers across ten countries, and we are grateful for each and every one of you. Your dedication and compassion make this work possible. It is remarkable to note that 14 of the volunteers from our original database created in 2006 are still actively serving families 18 years later. Additionally, 177 of our volunteers have served for more than a decade, and 132 have been with us for five to ten years. This steadfast commitment is a testament to the power of our shared mission.

In 2024, we were thrilled to welcome 309 new volunteers from 47 U.S. states, Canada, Ireland, England, and South Africa. Together, these new volunteers participated in over 500 sessions this year, providing priceless memories to grieving families. Their passion and energy breathe new life into our organization and help ensure we continue to serve families with care and compassion.

As we look ahead in 2025, we are preparing to mark a momentous milestone—our 20th year of providing remembrance photography. This anniversary is an opportunity to honor the tens of thousands of families we have served, the extraordinary dedication of our volunteers, and the ongoing support of our donors and partners. We are excited to build on the foundation of the past two decades, expanding our reach, strengthening our community, and continuing to offer the gift of remembrance to families when they need it most.

Thank you for standing with us in this mission. Together, we are creating lasting legacies of love and ensuring that no family walks this journey alone. I look forward to celebrating all we have accomplished and all we will continue to achieve in 2025 and beyond.

With deepest gratitude,

Missy Thomas

INTRODUCING OUR

Remembrance Network

We are excited to have launched our new donor recognition program in 2024, the Remembrance Network! The Remembrance Network was designed to acknowledge and celebrate the incredible generosity of our many donors and supporters of NILMDTS.

Remembrance Network donors have contributed at least \$1,000 within the last 12 months and are amazing advocates for our mission to provide free remembrance portraits for families experiencing the loss of a baby. Thanks to the Remembrance Network and other donors, we were able to serve 4,009 families this past fiscal year.

Remembrance Network members receive special benefits which vary by level but may include exclusive coffee chats with the Executive Director, blog posts, social media and website acknowledgements, and individual updates on the organization.
